

## Other places of Interest

- The Renowned Saippe Bunglow
- The Redundant Tea Factory
- Suicide Point

*The most ethical aerial view of the landscapes.  
Behold the natural spectacle as the mist lifts off..*

### Vadakemmala Waterfalls

A picturesque spot where one can enjoy the panoramic view of the foaming water splashing merrily bouncing off the sunlight. The stream is interspersed with a lot of rocks. If you dont want to swim or bath just relax, sit on one of the rocks with your feet dangling in water.

5 km from Gairah Resorts

### Wembly Waterfalls

There is something unique about this falls. Listening to the noise of the water gurgling alone will put you at peace. Drenching in the freely falling water will not only refresh your soul but your body too. The chill, the fresh air and the flora is really an exhilarating experience.

## GAIRAH RESORT

*God's own getaway*

### Pappani Thodu

The place is quite serene. At a short distance there is a bridge to get a better view. The streams jump over the rocks making it an eye-catching fall. Go in the monsoon when its awesomely beautiful. However the rocks are slippery.

3 km from Gairah Resorts

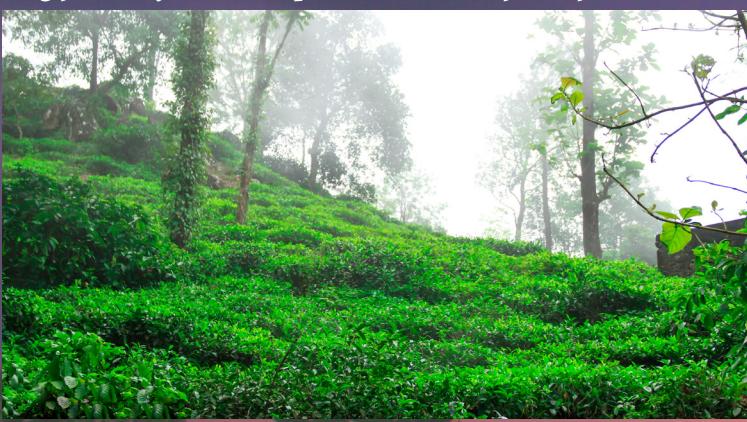

We provide outstanding levels of service and comfort. Comprehensive selection of amenities are made to ensure a relaxing stay. Leisurely cat-naps in blissfull privacy surrounded by breath taking misty landscapes fulfills your exotic fantasy- Gairah Resorts a perfect place to relax and lay your hat.

## URUMBI HILLS

Urumbi hilltop 3500 ft above sea level is a perfect spot to re-discover yourself and the land you travel. It's a surreal sight up there in the areas of wilderness with cold misty mountains and fragrant fresh air to sit in quiet attendance. It's the enthusiastic trekker's playground and the crazy offroad driver's challenge who can experience the thrill and adventure throughout the voyage uphill.

As we weave our way through the mist-laden valleys and vast verdant tea and cardamom plantations, we see the nature's generosity at its best. It is also an ideal place for easy trek with astounding beauty and explorative feel. Journey to hilltop assures you a very satisfying holiday, far from the maddening crowd to sit in desolate, windswept, breathtakingly beautiful landscapes surrounded by misty clouds.

## Madame Kulam

8 km from Gairah Resorts

The unexploited, cool mineral springs with curative power and its secluded green cover is equally alluring. The white water gush down the rocky cliff edges surrounded by green vegetation. A dip in the crystal clear water is definitely a refreshing and rejuvenating experience. Water falls on the boulder and natural pools are created below.

9 km from Gairah Resorts

## Irumulachi Kallu

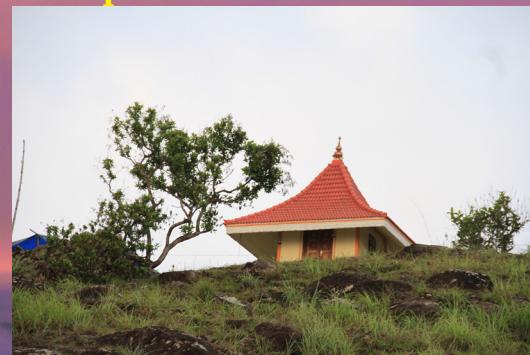

7 km from Gairah Resorts

The dramatic mountains drenched in the jungle surrounded by incredibly diverse vegetation of startling contrast and great beauty with lush high lands. Off-road trekking through the valleys is a feast to eyes with great scenic beauty.

## Irumulachi Temple

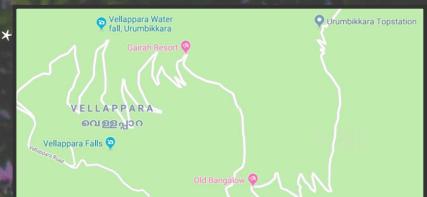

An ancient temple with rich legendary and multicultural heritage in its scenic location
